EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Frasier Roy on July 1, 2009.

The application has been amended as follows:

Claim 24: On the 2nd line, "to deploy a closure element" should be --to deploy the closure element—

Claim 25: "comprising a closure element" should be --comprising the closure element—

Claim 49: "advancing a clip into the passage" should be --advancing the clip into the passage—

Claim 51: On the 1st two lines "wherein the step of advancing a clip comprises" should be --wherein the step of advancing the clip comprises—

Claim 56: On the 1st two lines "wherein the step of advancing a clip comprises" should be --wherein the step of advancing the clip comprises—

Claim 81: The claim should be dependent on claim 27 not 32. The claim should read – the method of claim 27, wherein—

Claim 82: On the 2nd line "comprises directing a control element coupled" should be – comprises directing the control element coupled—

Art Unit: 3773

Claim 83: On the 2nd line "comprises directing a control element coupled" should be –
comprises directing the control element coupled—

Claim 84: The claim should be dependent on claim 68 not 73. The claim should read –
the method of claim 68, wherein—

2. The following is an examiner's statement of reasons for allowance: the art of record when considered alone or in combination neither renders obvious an apparatus and method for positioning a closure device within a passage that includes a locator member comprising a deflectable element made of a helical wound wire and a control member used to buckle the helical wound wire. Particularly the claimed limitation of the combination of the control element fixedly attached to the distal portion of the deflectable element as well as the device buckling at the intermediate portion are not found in the art of record. Furthermore, the method as well as the functional limitations of the device claims are not found in the art of record when considered alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DIANNE DORNBUSCH whose telephone number is
